For Judge Scott Clarkson: Please consider this threat from Lee Coddling to Mr. Coddings soon-to-be former father-in-law:

"To follow up, you are not Christ like or even in remote relation to Christ.

I hope you can redeem yourself before your eminent death. I spent 10 years supporting your daughter and your family and I am eminently unimpressed.

Good luck to you sir."

He is crazy and will not keep paying what he has "promised. He is a liar and possible dangerous.
